

How to use ACRO Bike?

1 Download "ACRO Bike" from Apple Store or Google Play.

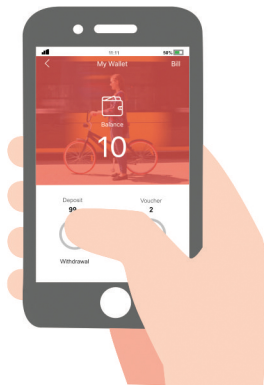

2 Register with your phone number and wait for the sms code to log in.

3 Fill out your personal details.

4 Pay deposit and top up your wallet.

5 Find a bike on the map.

6 Turn on Bluetooth, click "Unlock" in the App and place your phone near the lock (<10cm).

7 The lock will open automatically (in case the lock is blocked by a spoke or lack of grease, push the lever up slightly after the beep). Now it's time to enjoy your ride!

8 When you finish your ride, find an eligible bike parking stand and park the bike.

9 Make sure Bluetooth of your phone is turned on and manually push down the lever on the lock.

10 Timer in the App disappears after successful return.
